 Fine Productions Continue To Be Seen and Heard

The entertainment center of the South Bay District, the Fox Redondo Theatre, extends a hearty welcome to all to enjoy all the best and latest in all-talking picture entertainment. The following "Blue Ribbon Special productions of the New Show Year," will be presented this next week:

On Saturday only, cute, winsome, "mischievous" little Sally O'Neil gives you her finest entertainment in "The Brat." You have missed a lot of fun, till you see and hear "The Brat." She makes comedy out of drama—a farce out of romance—mimicry out of high-hats.

Sunday and Monday, both matinee and evening, the Fox Redondo Theatre is proud to present "Street Scene." Here is a United Artist special that is one of the ten greatest picture productions ever made. That sounds pretty big, but that's exactly what all the hard-boiled critics from New York to Hollywood are saying about this picture.

Taken from the great stage success, with the same stage cast, and the screen stars, Estelle Taylor, Sylvia Sydney and William Collier, Jr., and directed by the master director, King Vidor. We can't too forcefully insist you should see and hear "Street Scene" at the Fox Redondo Theatre, Sunday and Monday.

Mrs. A. E. Kerber, of the Plaza hotel, attended the Sunday school convention at Santa Ana last Sunday.

 "The Bargain," Prize Play, and "Side Show" Are Week's Attractions

"The Bargain" is the prize play of 1931! So great, so human, so different, it took months to select a cast big enough to bring it to the screen. Those featured are:

Lewis Stone, Evelyn Knapp, Charles Butterworth, Doris Kenyon, John Darrow, Oscar Apfel, Una Merkel and Nella Walker. The picture is an adaptation of the Harvard prize play, "You and I," written by Philip Barry, and enjoying a year's run on Broadway. All bargain hunters should see "The Bargain." The first National picture which is playing at Warner Bros., Thursday, Friday and Saturday.

Sunday, "Side Show" will be the feature attraction, and this very fine and funny picture will occupy the screen at Warner Bros. for four days. "Side Show" will bring Winnie Lightner and Charles Butterworth, and with these two, the picture is bound to be a huge success. Others of note in the cast are Evelyn Knapp, Donald Cook and Edward Morgan. It is said that the popular red-headed comedienne will have the opportunity to display varied talents of old "vaudeville days" in this picture.

Examine Boys For Nautical School Oct. 2

Offering an opportunity for boys between the ages of 17 and 21 years to become cadets at the California Nautical school, with free tuition and board during the three-year course, examinations for applicants will be held by the State Department of Education at the Metropolitan High school, 234 Venice boulevard, Friday, October 2.

Cadets who complete the training are placed upon the eligible list for appointments as officers in the United States Merchant Marine. In addition to meeting the physical requirements set by the United States Navy, candidates must pass tests in arithmetic, elementary algebra, rhetoric, United States history, and general information.

Six months of each year is spent cruising on the training vessel, and the remainder of the time at the naval base at Tiburon, Marin county, California. Cadets must perform all the work of maintenance on the vessel while cruising, as well as at its shore base. Boys interested in this course should write at once to Captain E. Topp, superintendent of the California Nautical school, 215 Market street, San Francisco. These examinations are also being held at this time in other parts of the state, and 65 boys will be appointed to the training school on December 14, 1931.
